(1) The D.F. Board of the Mysore Circle estimate the income for 1896-97 at Rs 74,388 against Rs 68,477, the actuals of 1894-95, and Rs 57416 the sanctioned estimate for 1895-96.

~~Receipts~~

(2) 176 per cent of Local cess. The increase under this head is due to the probable arrears of the previous ~~commencement of the~~ years expected to be collected during 1896-97. The actuals under this head for 1894/95 were only Rs 52301 and it

it would not be safe to anticipate a larger allowance than Rs 6000 in 1896-97. The estimate will accordingly be reduced from Rs 5'7415'8 to Rs 5'6000.

thus there may be some arrear at the end of the year.

(3) VI Tolls. As under the existing orders, the entire toll revenue realized from toll Gates established on Provincial roads is creditable to Provincial funds and not to the D.-F. The estimate of Rs 10000 entered under this head will be struck out

(4) The income as now sanctioned amounts to Rs 62930

(5) The opening balance is given as Rs 4485'9, which is the closing balance of 1895-96 as sanctioned in Pro dated 9th December 1895 No. X. 6667-71, A. L.-F 146-94

To

The Secretary to the Government of Mysore,
Revenue and General Departments.

Sir,

With reference to Government order No. 11049-53 / L.F. 91-95 of the 26th March 1896 passing the District Fund Budget of the Mysore circle for 1896-97 and calling for certain explanation, I have the honor to state as follows:-

2. A sum of Rs. 10,000 had been entered as the probable revenue from tolls. But it was struck out by Government on the ground that, under the then existing orders of Government, it was creditable to the Provincial Funds. But in the subsequent order of Government No. 419-21 / 2821-3 of the 12th June 1896, it has been directed that a half of the said revenue should be credited to the District Funds. So a provision of Rs. ,000 has to be made under this head of receipt.

Explanation is wanted for the differences in

(A) Raising mileage grants of Yelwal - Hapari and Kundalpet - Chamrajnagar roads, the present grants being found inadequate to maintain in proper order these partially metalled roads on which traffic is very heavy.

B.) Increasing the length of Yelwal - Hapari road by one mile and decreasing that of Sagarkatte - Ramanathpur road by four miles - When the Yedatore bridge is completed this year, Carts to Hassan from Yelwal will go via Yedatore leaving the present road at junction of the Sagar - Katte - Ramanathpur road and joining it again beyond Hampapur - This will add only about a mile to the present total length of the road - The portion of that road measuring six miles between

Sagarkatte Ramanathpur road junction and Hampapur is proposed to be abandoned

By the above arrangement the first four miles of Sagarkatte Ramanathpur road will hereafter form a part of Yelwal Hapan road. So the the length of that road (S. Ramanathpur) that will have to be maintained will be 20 miles only instead of 24 as at present. The name of that road is also proposed to be changed to Yedatore Ramanathpur.

SIR,

With reference to Government orders No. 3321 / 1791-95 and 4264-5 / 1791-95 of the 5th and 26th September 1896, respectively, calling for certain information in regard to the District Fund roads lying within the municipal limits, I have the honour to state that, in accordance with Government order no 5020-9 / 1777-93 of the 18th September 1893, the amount of contribution payable to the Mysore City municipality is Rupees 950/- as noted in the margin, and not Rupees 988/- as mentioned in the first of the Government orders under reply. The Mysore District Fund Board not paying a contribution of Rupees 38/- for the Shimoga-Sirsi road, which lies in the Shimoga division. The length of the

This was erroneously shown as being within municipal limits of Mysore.

Mypore Suburban roads is 13 miles of which only 3 miles lie within the limits of the Mypore City Municipality. - the amount of Contribution payable to the Mypore City Municipality on account of the maintenance of the District Fund roads has, therefore, to be reduced from Rupees 1,600/- to Rupees 450/- and the amount under 'A II, repairs to be executed by Public works department' to be raised from Rupees 20,035/- to Rupees 20,725/- as particularized in the enclosed Statement.

READ :—

Letter No. 318, dated 8th August 1896, from the Comptroller, stating that the toll collections to be credited to the Mysore District Fund circle in 1895-96, under the Public Works Department Proceedings No. 699-701—3959-61, dated 1st August 1896, amount to Rs. 3,821.

(2) Letter No. 683, dated 3rd October 1896, from the Deputy Commissioner, Mysore, submitting the information called for in regard to the contribution payable from the District Funds to the Mysore City Municipality for the maintenance of District Fund roads within its limits.

No. 5425-8—L. F. 91-95, DATED, BANGALORE, 11TH NOVEMBER 1896.

ORDER THEREON :—

RECEIPTS.

When reviewing the District Fund budget of the Mysore circle for 1896-97, a sum of Rs. 10,000 entered under "V. Tolls" was disallowed as, under the then existing orders, the entire realizations from tolls on Provincial roads were creditable to Provincial Funds. As under the recent Orders of Government, dated 1st August 1896, No. 699-701—3959-61, issued in the Public Works Department, a moiety of the toll collections is creditable to the District Funds of the Mysore circle, the Deputy Commissioner now proposes to enter a sum of Rs. 5,000 which he expects from tolls during 1896-97. As the toll revenue actually credited to the District Funds during 1893-94, 1894-95 and 1895-96 amounted only to Rs. 514, 4,928 and 3,821, respectively, it would not be safe to anticipate more than Rs. 4,500 during the current year. This sum will accordingly be inserted in the budget.

EXPENDITURE.

2. *A. Public Works to be executed by Public Works Department.*—The explanation furnished in regard to the lengths and mileage rates of the marginally noted roads referred to in para 7 of the Proceedings under reply is accepted; and the deduction to be made from the mileage allotments of District Fund roads for payment of contribution to the Mysore City Municipality will be reduced from Rs. 1,600 to Rs. 950, and the estimate under "II. Repairs" raised from Rs. 20,035 to Rs. 20,685, a corresponding reduction being made under the head "I. Civil charges, IX. Contributions." The provision on account of establishments will be raised from Rs. 8,186 to Rs. 8,520 which represents 17½ per cent on the estimate for original works and repairs. As the sum of Rs. 7,665 provided under "Reserve" is apparently large, it will be reduced to Rs. 6,965.

1. Yedatore-Ramanathpur road.
2. Yelval-Hassan road.
3. Gundlupet-Chamrajnagar road.

CIVIL CHARGES.

3. *Office Establishment.*—A sum of Rs. 66 will be entered under this head in accordance with Government Proceedings No. 3425-35—L. F. 12-92, dated 5th September 1896, to meet the contribution towards the cost of establishment maintained in the Dewan's office.

4. *IV. Midwives.*—The omission made in the statement of details under this head of the pay (Rs. 180) of the midwife at Gundlupet will be supplied, retaining the total provision of Rs. 1,320 under this head unaltered.
